## Advance Preparation Required (for Self-Paced Online Students)

Our online Learning Management System (LMS) is easy and fun to use however first-time users of our online education programs should devote not less than one half hour to reading our Student LMS User Manual prior to beginning a course.

Our LMS education platform requires an up-to-date Adobe Flash® Player and use of a high-speed internet connection. To ensure your learning experience is worthwhile and productive we ask all students to take the time to become familiar with our education platforms before attending class.

Please complete ALL of the following tasks prior to beginning your first course:

- Read the Student LMS User Manual,
- Download and print the Student Manual.
